

"If God Twittered"
This Week At Judson Sunday School
(4/24/09)

I am not a twitterer. I am more of a nitwitter. But in our present twitter hysteria, I got to wondering, what if God twittered? I'm proud to say I followed the rules - each entry is 140 characters or less. (With apologies to Eddie Izzard for the Thessalonica joke.) Enjoy, and I'll see you Sunday.
